

# Diploma in Management

Qualitrain are offering a fully funded adult further education Diploma in Management with relevance to the Rail sector (subject to group size and eligibility).

The program is based upon the core skills and competencies of Nationally Recognised Qualifications and is delivered by professional trainers and assessors currently working in the Rail sector

The mandatory modules of study are:

- Manage Personal and Professional Development
- Manage Team Performance
- Principles of Leadership and Management
- Principles of People Management
- Principles of Business

Our management and leadership qualifications have been designed to incorporate basic aspects of LEAN and Continuous Improvement elements

There will also be an Equality and Diversity awareness for managers briefing included within the program

The program will be of 12-18 months' duration and delivered at Pride Park.

Joining instructions to follow, estimated start date November
