

**A MAJOR CONFERENCE  
AND TWO DAYS INTENSIVE B2B MEETINGS  
19-21 MARCH, INTERNATIONAL CONVENTION CENTRE, BIRMINGHAM**

Aerospace Forum Birmingham (AFB) is an event for aircraft and engine makers, first-tier suppliers and the entire supply chain.

On Day One, AFB features the superb MAA Annual Conference, complete with keynote speeches from industry leaders and plenty of opportunities for networking (see page 2).

On Days Two and Three, AFB features intensive B2B matchmaking meetings. Engineering, procurement, supply chain, manufacturing, commodity teams, suppliers and service providers will hold a series of pre-arranged meetings.
